KA710A Kitchen Propping Stool

KA710A

Light weight and sturdy the kitchen stool is used when a higher seat position is required.

Features:

- Ideal for use in the kitchen or similar area where a standard chair is not suitable or the user has difficulty standing or sitting.
- Seat and backrest can be easily changed for service, cleaning or repair.
- Polyurethane seat and backrest - comfortable and durable.
- Adjustable seat height and angle to accommodate most users. Seat height adjusts from 520mm to 640mm.
- High backrest for added back support.
- Multi hole leg for positioning on uneven surfaces.
- Inbuilt armrests to assist with user positioning.
- Non slip and non marking leg tips for extra stability and to prevent damage to floor surfaces.
- Maximum user weight capacity of 100kg.
